

REMARKS

Claim 15 has been canceled and claims 8 and 14 have been amended. The Abstract of the Disclosure has been corrected to comply with the Examiner's suggestion.

Claim 8 was objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all the limitations of the base claim and any intervening claims.

The term "speed" following the term "different" has been deleted from claim 8. Claim 8 has also been rewritten in independent form and now includes all the limitations of the base claim 1. There are no intervening claims.

Claim 14 has been amended by deleting in element "e)" the word "the" and adding the word --a--.

Claim 15 was rejected under 35 U.S.C. 103(a) as being unpatentable over Yuan in view of Hettinger.

Claim 15 has been canceled.

In view of the above changes, it is deemed that the Examiner's rejections and objections have been overcome. Therefore, the applicant respectfully requests the allowance of claims 1-14 at an early date.

No additional fee is deemed necessary at this time.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "A. O. Cota", with a long horizontal line extending to the left.
